Copy 4 of 7

25 September 1961

MEMORANDUM FOR: HQ, USAF
AFCIG-5SUBJECT : Support Aircraft Requirement for the "O"
Program

1. Reference is made to our memorandum, dated 24 August 1961, subject as above.

2. In view of the fact that a C-131E cannot be made available by your headquarters, request you substitute a C-54G for this requirement.

3. It is requested that the "Desired Dates" for receipt of the support aircraft listed in the above referenced memorandum be changed as follows:

<u>AIRCRAFT</u>	<u>NEW DATE DESIRED</u>
T-33	15 Dec 1961
U-3B	15 Nov 1961
C-54G	1 Jan 1962
F-104B	1 Mar 1962

The desired dates for the F-101B's remain unchanged—two by 15 April 1962 and two by 1 June 1962. The new dates listed above are established to coincide with our logistic support capability and with anticipated slippages in the "O" Program.
